

Give Where You Live

District Grant Program

\$ Donated in the district communities' stay in the district.

Funds are raised through corporate and employee donations that annually raise \$30,000. The program is available to registered charities in district communities which offer services under the two identified community priority issues:

Essential Services - services that will address the community's low income members immediate needs in case of emergency and extraordinary circumstances; and

Workforce Entry - address barriers to services, employment and education.
